Pre-OCONUS travel File (PRO-File) Step-by-step instruction

HQDA Guidance

G-3/5/7 - G3-SOD (PR)

All personnel traveling OCONUS are required to complete a DD Form 1833 (ISOPREP). Army personnel will use the Pre-OCONUS travel File (PRO-File) fulfill this requirement. This applies to all military, Army Civilian, and contractor personnel supporting Army forces. Army forces under the Operational Control of USASOC or USSOCOM are exempt from this requirement and will follow USSOCOM guidance to meet the pre-deployment requirement.

PRO-File Survey

G-3/5/7 - G3-SOD (PR)

The data entered into PRO-File surveys is transferred to the Joint Personnel Recovery Agency (JPRA). Once transferred, the data is used to populate a digital ISOPREP on SIPRnet.

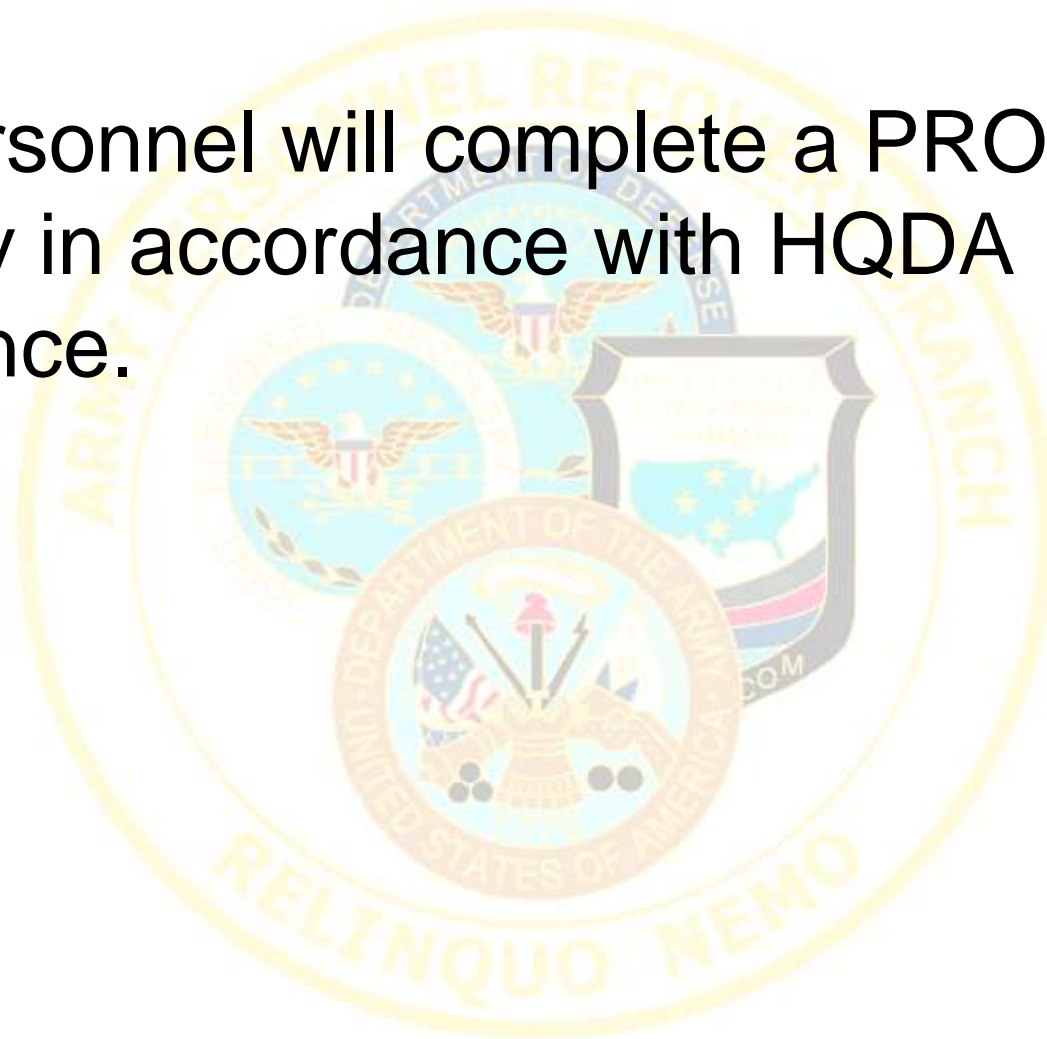

PRO-File is the only approved means for Army personnel to fulfill the digital ISOPREP requirement on Unclassified systems.

Task

G-3/5/7 - G3-SOD (PR)

All personnel will complete a PRO-File survey in accordance with HQDA guidance.

Conditions

G-3/5/7 - G3-SOD (PR)

Requirements:

- A PC running Microsoft Windows® (Gov or personal) with internet access running Internet Explorer® 6.0 or older or Mozilla Firefox® 2.0.0.3
- Valid AKO username and password
- Two digital photographs (see slides 10 and 11 for acceptable photographs)
- A computer printer (to print completion certificate)

Standard

G-3/5/7 - G3-SOD (PR)

Complete a PRO-File survey by providing data in all mandatory fields, to include photo upload, and completing a minimum of four questions in at least four of the background question sections.

Frequently Asked Questions

G-3/5/7 - G3-SOD (PR)

- Where did the requirement for PRO-File come from, and who authorized the program?

Completion of ISOPREPs has been a pre-deployment requirement since the beginning of the Global War on Terror. PRO-File was developed to make it easier to meet this requirement and standardize the format across the force. Authorization came from the Chief of Staff of the Army, through the Army G-3/5/7 to increase Personnel Recovery capability.

- I am a tactical commander with thousands of troops to manage. What benefit does my command receive from participation in the PRO-File program?

First and foremost your command will no longer have to spend additional time and effort to manage the classified ISOPREP forms which the PRO-File program will replace. The new system automates the entire process. This gives back time to your Soldiers for training and preparation for their METL tasks. PRO-File is also the first tool for this purpose available to every Soldier, regardless of security clearance or duty assignment, that can be completed at home or in their barracks. Also, use of PRO-File and PRMS enhances the capability to successfully recover your Soldiers regardless of their geographic location or OPCON/TACON status.

- I only have 90 training days left until my unit deploys. Why should I shift focus to filling out online surveys when my Soldiers should be conducting tactical training?

Your Soldiers can complete the survey at home, on leave, or from a local internet café. PRO-File was developed with your command's time management in mind so that you can continue with your training plans without significant impact.

- If I allow my Soldier's to do this on their off-time, how will I track their completion for pre-deployment?

Your PRO or PR staff-section has the ability to track, by-name, who in your command has or has not completed a survey within a five minute window of accuracy. Each Soldier also receives a completion certificate which can be filed in their training records and into their Digital Training Management System (DTMS) in AKO.

Frequently Asked Questions

G-3/5/7 - G3-SOD (PR)

- I am a civilian. Do I have to complete the survey?

At this time, survey completion is required by HQDA for all DA/DoD Civilians and DA/DoD Contractors accompanying forces overseas. (Army G-3/5/7 guidance June 2005)

- I don't have a digital photo. Can I submit my survey without one?

Current photographs are critical for recovery forces to positively identify you if you are isolated. You must provide digital photographs for the survey.

- I have completed the survey and printed my certificate. Now what do I do?

Keep a copy of your certificate for your records and then provide a copy to your immediate supervisor or your Personnel Recovery Officer (PRO). You can return to the site any time to print a copy of your certificate.

- How often will I have to complete the PRO-File survey?

You should only have to complete the survey one time during your military career. PR managers can transfer your data to your gaining UIC when you out-process your losing unit.

- What if my information changes, or I realize that I made a mistake on my survey?

You have two options to correct information provided to PRO-File. First, you can visit the survey site and complete a new survey. The more preferred method is to visit your PRO who can access and update your survey information in PRMS.

- What can I do if I receive an error when I submit my survey?

Each error message will automatically be reported to the PRO-File system administrator. Follow the provided e-mail link; they will assist you in completing your survey. Non-technical issues or general questions dealing with command guidance and PR programs should be addressed to your chain of command.
